RE: WIAA Response to Bellevue School District's Violation Report dated May 23, 2016

On March 22, 2016, Carl Blackstone and Robert Westinghouse submitted an Investigative Report to the Washington Interscholastic Activities Association ("WIAA") relating to the Bellevue High School ("BHS") football program. The WIAA Investigative Report ("Investigative Report") contained findings that BHS and the Bellevue School District ("BSD") had violated a number of WIAA rules. WIAA provided the Investigative Report to BSD on April 1, 2016. On May 11, 2016, BSD/BHS presented a WIAA Violation Report ("Violation Report" or "District's Report") to the KingCo League during a self-report hearing. On May 13, 2016, George Crowder, KingCo League President, requested that WIAA and its investigators evaluate the information contained in the BSD/BHS Violation Report.

The May 11 Violation Report identifies 10 allegations in the Investigative Report. The Violation Report provides substantive responses to only six of the allegations. On May 18, 2016, the WIAA investigators submitted a response to the six allegations addressed in BSD's Violation Report.

On May 23, 2016, BSD presented a supplemental Violation Report to KingCo addressing the four remaining allegations. On the same day, George Crowder requested that the WIAA and its investigators evaluate the information contained in BSD's supplemental Violation Report.
