Dear Lauren,

Based upon the additional information received September 23, 2014, I am granting a waiver of the residence/transfer rules. Tyson Penn is granted eligibility to participate at the varsity level in all interscholastic athletic activities at Bellevue High School for the 2014-15 school year.

A certified letter containing the written decision and the rationale for that decision will be mailed to the student's home address.

If you have further questions regarding the decision, please contact John Miller, Assistant Executive Director, or me at your convenience.

Sincerely,

Mike A. Colbrese
Executive Director
