1 And the Complainant further states:

2 1. I, DARYL ALLISON, am a Special Agent (SA) of the Federal Bureau of  
3 Investigation (FBI) currently assigned to the Seattle Joint Terrorism Task Force (JTTF). I have  
4 been an FBI Special Agent for one year. This affidavit is based on facts uncovered by federal  
5 and local law enforcement personnel, who are also members of the JTTF.

6 2. I am submitting this affidavit in support of a finding of probable cause to arrest  
7 AHMAD ABDUL SALAAM AS-SADIQ, a/k/a CANNON ROBERT EUGENE DYLES, for  
8 the crime of being a convicted felon unlawfully possession a firearm.

9 3. In June 2004, SA John Dean of the Federal Protection Service (FPS) informed  
10 the FBI that two FPS officers had told him that they had observed what they believed to be  
11 unusual activity at a local shooting range where they went to practice on their days off. The  
12 range in question was the Renton Fish and Game Club range, located at 17500 SE 144th Street,  
13 Renton, Washington. The FPS officers, Gabriel Russell and Terry Holzhausen, told Dean that  
14 they had seen a group of three to five individuals, male and female, arrive at the range in a red  
15 Nissan Quest minivan on at least three occasions in May and June 2004. Upon investigation, it  
16 was learned that the group would typically sign in and go to the most isolated shooting lane  
17 where a particular male member of the group would provide comprehensive instruction to  
18 other members of the group on the handling and firing of semiautomatic pistols, including  
19 shooting the firearms at targets on the range.

20 4. On July 23, 2004, SA Dean interviewed the range master at the Renton Fish and  
21 Game range. The range master identified AS-SADIQ from a driver's license photograph as  
22 among those he had seen handling and shooting firearms at the range. The range master  
23 confirmed that all those in attendance with group handled and shot one or more firearms while  
24 at the range. He also provided photocopies of range sign-in sheets and noted the names that he  
25 thought represented the group he had described. The sign-in sheets he provided indicate the  
26 following:

- 27 a. AHMAD AS-SADIQ signed in at 11:00 a.m. on Sunday, March 31, 2004;  
28 b. AHMAD AS-SADIQ signed in at 10:52 on Sunday, April 4, 2004;

1 c. AHMAD AS-SADIQ signed in at 10:45 a.m. on Sunday, May 2, 2004;

2 5. I have obtained a certified copy of an order, signed in King County District  
3 Court, State of Washington, on January 9, 1998, legally changing AS-SADIQ's name from  
4 CANNON ROBERT EUGENE DYLES to AHMAD ABDUL SALAAM AS-SADIQ. I have  
5 reviewed the criminal history of CANNON ROBERT EUGENE DYLES, born May 7, 1969. I  
6 have obtained a certified copy of the Judgment and Sentence imposed in this matter, case  
7 number 88-1-03751-2, in Superior Court of the State of Washington for Pierce County on  
8 January 4, 1989. Dyles was sentenced to confinement in the custody of the Department of  
9 Corrections for a period of thirteen months for the Felony Offense of Attempted Unlawful  
10 Possession of a Controlled Substance. He was also convicted on the same day for the felony  
11 offense of Unlawful Possession of a Controlled Substance in Pierce County Superior Court,  
12 cause number 88-1-02070-3, and was sentenced to ninety (90) days in jail.

13 6. On or about, November 18, 2004, agents of the Joint Terrorism Task  
14 Force (JTTF), executed a federal search warrant at apartment 62-203, at the Waterstone Place  
15 apartments, located at 2405 South Starlake Road, Federal Way, Washington, the residence of  
16 AS-SADIQ. The agents arrested AS-SADIQ inside the apartment and asked him whether  
17 there were any guns inside. AS-SADIQ responded in the affirmative and led the agents to his  
18 bedroom. There, he pointed to a duffle bag in the closet indicating that his gun was inside; he  
19 also said that he had shot the gun at the range the day before. Agents seized the gun, which is  
20 described as an Astra, model A-100, 9 mm semiautomatic pistol, serial number 3936D. They  
21 also found two boxes of Wolf Performance copper full metal jacket ammunition.

22 7. I have talked to SA Doug Krogh of the Bureau of Alcohol, Tobacco, Firearms  
23 and Explosives. He is an expert at identifying the origin of firearms. He informed me that  
24 Astra firearms are not manufactured in the State of Washington and, therefore, the firearm  
25 seized from AS-SADIQ's residence must have been transported in interstate commerce to be  
26 possessed by AS-SADIQ in Federal Way on November 18, 2004.

27 //

28 //

1           8.     Based on the foregoing, I submit that there is probable cause to believe that  
2 AHMAD ABDUL SALAAM AS-SADIQ unlawfully possessed a firearm in violation of Title  
3 18, United States Code, Sections 922(g)(1) and 924(a)(2).
